

## PSEG Supplier Registration Website

PSEG welcomes **solar business suppliers** to register on our Supplier Registration Website. Registering your business on our website will ensure PSEG Procurement Professionals have detailed and accurate information regarding your business to make informed purchasing decisions. **Completing a supplier profile on the registration website is the first step to doing business with PSEG.**

The PSEG Supplier Registration Website is an automated supplier management tool that will ensure your inclusion in future opportunities that will be initiated by PSEG to the Solar Community. **Please be sure to indicate that you are a solar supplier in the description of your business products and services.**

It's easy to register...

- 1) Visit the Web Site: <http://suppliers.pseg.com>.
- 2) Follow the Log-On prompts.
- 3) Complete and Submit your Supplier Registration Form.
- 4) Receive a confirmation email when registration is complete.

### PSEG's Solar 4 All Program

PSEG has at this time closed bids for our Solar-4-All program. Local Government Solar and Centralized Solar at Non-PSE&G owned properties such as brownfields, non-profit-owned, and under-developed real estate will be offered to the Solar Development Community pending N.J. BPU Approval and program implementation.

Future opportunities and instructions will be sent to suppliers who complete the registration process on the website.

If you have any **questions concerning this registration or Supplier Diversity**, please contact the PSEG Office of Supplier Diversity at:
